Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. DOMINION ORDERS IN COUNCIL.

P.C. No. 2339.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 31ST DECEMBER, 1928.

THE Committee of the Privy Council have had before them a report, dated 20th December, 1928, from the Minister of the Interior, submitting:—

That Mr. Robert Basilici, of Kew, Alberta, was granted a lease of Ranch No. 3566, covering the

North-east Quarter of Section 20, the North-east Quarter of Section 21, and the South Half of Section 28, Township 20, Range 4, west of the 5th meridian, for a term of twenty-one years from the 1st of April, 1910, under the regulations respecting grazing lands in Manitoba, Saskatchewan, Alberta, and the Railway Belt in British Columbia, established by Order in Council of the 27th of July, 1905, and subsequent Orders in Council.

That clause 12 of the existing grazing regulations governing grazing lands in the Provinces of Manitoba, Saskatchewan, Alberta, and the Peace River tract in the Province of British Columbia, established by Order in Council of the 12th of April, 1922, and subsequent Orders in Council, provides as follows:—

"The holder of a lease acquired under former regulations which has less than five years to run, irrespective of the area contained therein, may relinquish his lease and acquire one under these regulations, on the condition that, upon inspection by an Appraiser of Grazing Lands, the lands affected are found to be unfit for agricultural purposes, and that the lessee is utilizing the leasehold to its full extent for stock-grazing purposes."

That representations have been made to the Department of the Interior that the said Robert Basilici deserted his family and left the country in the year 1922; that his daughter, Elizabeth R. Basilici, is transacting all business under power of attorney which is held by the bank; that the said Robert Basilici intended to assign the lease of Ranch No. 3566 to his wife, Mrs. Elsa Basilici, but no assignment in favour of Mrs. Basilici has been submitted to the Department of the Interior for registration; that Mrs. Elsa Basilici has been operating the ranch since Robert Basilici deserted his family in 1922, and that moneys being expended in connection therewith and the cattle being maintained thereon belong to her, and that certain lands purchased by Mrs. Elsa Basilici were registered in the name of Robert Basilici and by judgment of the Supreme Court of Alberta, delivered on the 5th of July, 1928, these lands were declared to be the property of Mrs. Elsa Basilici, and the existing certificates of title were cancelled and new certificates issued in the name of Elsa Basilici; and

That the lease of Ranch No. 3566 was cancelled on the 4th December, 1928, for failure on the part of the lessee, the said Robert Basilici, to comply with the terms of the lease, and in view of the fact that he is not eligible to secure a renewal lease under clause 12 of the existing regulations, above mentioned.

The Minister, being of opinion that Mrs. Elsa Basilici should not be disturbed in her ranching operations, therefore recommends that she be granted a lease for grazing purposes under the existing regulations, above mentioned, for a period of twenty-one years, covering the lands formerly included in Ranch No. 3566—namely, the North-east Quarter of Section 20, the North-east Quarter of Section 21, and the South Half of Section 28, Township 20, Range 4, west of the 5th meridian—without the usual preliminaries.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) E. J. LEMAIRE,
Clerk of the Privy Council.

To the Honourable
The Minister of the Interior. 6064-ja17

P.C. No. 16.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 7TH JANUARY, 1929.

THE Committee of the Privy Council have had before them a report dated 27th December 1928, from the Minister of the Interior, submitting that the regulations governing the granting of licences and permits to cut timber on Dominion lands in the Prairie Provinces, in the Railway Belt in the Province of British Columbia, and in the tract of three and a half million acres con-

trolled by the Government of the Dominion in the Peace River District in the Province of British Columbia, provide that all timber cut must be manufactured within the Dominion of Canada.

The Abernethy Loughheed Logging Company, Limited, of Port Haney, British Columbia, who are large operators, state that they have a quantity of fir logs in the Fraser River of oversize dimensions, and expect to be producing similar logs from time to time; that they have been unable to find market for them in British Columbia, irrespective of price, owing to their size; that although offered to the mills equipped to cut large logs, the logs in question are too big and the mills will not handle them.

It is claimed that the logs can be sold in the State of Washington, although at a less price than that at present prevailing in British Columbia for fir logs of ordinary dimensions, and there is no way of disposing of them other than by special permit to avoid a very heavy loss. The general consensus of opinion among the larger mills in the New Westminster District is favourable to the granting of the privilege asked for, and the Agent of Dominion Lands at New Westminster corroborates the statements made, and recommends that permission be granted to issue a permit allowing the export of oversize logs running from 60 to 80 inches in diameter at the top, the logs to be advertised for a period of ten days, but should an offer be made for them equal to the prevailing price for ordinary fir logs, the export privilege shall not be granted. The permit, if issued, will be subject to royalty charges of \$3 per thousand feet, board measure, on logs grading Number 1, \$2.50 per thousand feet on logs grading Number 2, and \$2 per thousand feet on logs grading Number 3.

The Minister recommends that this special privilege be granted for a period of six months, at the rates specified.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

The Minister of the Interior. 6081-ja17
